

Fertile City Council Minutes
Special Meeting
June 10, 2019

The Fertile City Council held a special meeting on Monday, June 10, 2019 at 6 p.m. at the Community Center. Present were: Mayor Daniel Wilkens and Council members Stanton Wang, and Reid Jensrud. City Administrator Lisa Liden was also present.

The meeting of the Equipment Committee was called to order by Mayor Wilkens at 6:07 p.m. Administrator Liden reported that Public Works Director Kevin Nephew would not be attending either of the meetings that evening since he was on vacation. She reported also that the City had gotten the tandem axle plow truck from MnDOT and that both Kevin Nephew and Dan Lene were pleased with how it operated and the condition it was in.

Discussion was held on various options for snow removal including outfitting the John Deere mower with snow attachments and a cab. Also discussed was obtaining a skid steer with attachments rather than equipping the mower for snow blowing and brushing.

Discussion was also held on replacing the City road grader and whether it would be better to look at one that MnDOT would have available in the fall or to continue working with the township on possibly acquiring their current machine when they replace it.

The meeting was adjourned at 6:23 on a motion by Council member Wang.

Daniel Wilkens, Mayor

Lisa J. Liden, City Administrator
