

Community Fund seeking applications for grants

The Fertile-Beltrami Area Community Fund has issued a 2018 call for grant applications.

Deadline for submission is Nov. 1.

The Fertile-Beltrami Area Community Fund seeks project proposals that will address one or more of the following: Beautification of our community, recreation or tourism, contribution to the Fertile-Beltrami quality of place, housing, economic development or youth/senior educational experiences and opportunities.

Special consideration will be given to projects that attract people to the community, impact a number of people/residents, employ area residents, support the local economy, partner with other organizations and provide a grant match through either cash or donated goods/services (in-kind).

Anyone who has a project they would like the committee to consider can visit www.nwmf.org/fund/fertile-beltrami-area-community-fund. There is an online application available that can be emailed to Kylie@GrowingYourBusiness.com.

Applications can also be

picked up at the City Office and mailed to:

The Fertile-Beltrami Area Community Fund is a non-profit organization and a component fund of the Northwest Minnesota Foundation.

The fund has invested more than \$50,000 in grants over its seven-year history.

At its core, the Community Fund is an organization created with gifts from generous people committed to local causes.

For donors, the Community Fund serves as a philanthropic advisor.

For the community, the Community Fund serves as a grant maker and a civic leader. Through the support of its donors and fundholders, the Community Fund has been able to address some of the community's most pressing needs, including community improvement, hunger and education.
